

The Gospel of John Preaching Series
Coming to Jarrettown UMC on January 11 - September 20, 2009

“For the first time ever, *The Gospel of John* – one of the most widely read and beloved books of the Bible – comes vividly to life in a three hour epic motion picture. It is a sweeping word for word adaptation of the American Bible Society’s Good News Bible translation. The film carefully re-creates the Biblical era, from its temples and village life, to its richly-textured costume designs faithful to the period. The movie provides great insight into the most influential person in world history. Witness Jesus as teacher, rabbi, miracle worker, healer and a compassionate, loving man who speaks about the truth and the hope of eternal life.”

During 2009, we will experience this movie in worship as we journey through this wonderful gospel. What you will discover is, your understanding of the text will take on new meaning. So come and experience the Gospel of John and be changed by the message of Jesus Christ.
